

River Valley School District

The Board of Education for River Valley School District is in search of a new superintendent.

River Valley Schools strives to accomplish its mission statement of, "Provide a Quality Education for all students." In order to achieve this mission, River Valley has identified the need to expand programs, foster diverse learning environments, improve communication, retain qualified staff and ensure the facilities are properly maintained.

River Valley provides students with access to Early Middle College, Dual Enrollment as well as Advance Placement and in-house college courses. We also enhance learning through our PRIDE sessions and TEAMS programs to focus on identified needs of our students. River Valley has provided learning through programs like the community garden and Robotics. Further, we offer community luncheons to enhance communication with our district residents and an annual Family Engagement Series in collaboration with community organizations within the district.

The district utilizes a sinking fund which has afforded us the opportunity to fix/replace roofs, parking lots as well as establish a fitness center. In the past, the district was fortunate to obtain a QZAB to upgrade windows, furniture and the HVAC at Three Oaks Elementary. The QZAB has provided the district with a near interest-free loan.
