

Alpena Public Schools

The Board of Education for Alpena School District is in search of a new superintendent. This is only the preliminary posting; a detailed profile of the ideal candidate will be added at a later date. We encourage interested applicants to refrain from applying until the profile is posted.

One of the largest geographic districts in the State of Michigan, Alpena Public Schools covers more than 600 square miles, encompassing all of Alpena County as well as all of Presque Isle Township and a part of Krakow Township in Presque Isle County. Our well-organized fleet of buses transports 80 percent of the student body each day, safely traveling some 825,000 miles per year.

Officially established as Michigan's first county-wide school district in 1963, Alpena Public Schools represents an aggregation of business people, farmers, professionals, service employees, children, parents, retirees, and clergy, all proud of their beautiful, bay-side community.
