Offering a robust selection of Advanced Placement classes and a Silver Award granted by U.S. News and World Report, BCCS has a wide range of academic options designed to help each student realize his or her individual potential. Along with our growing in-district vocational programming and early college opportunities, we are also very proud of our award-winning athletic and fine and visual arts programs.

As a Blueprint district, our Benzie Central Huskies have a strong winning tradition with a wide range of offerings and opportunities to make sure that ALL students have a chance to get involved and represent their school with pride. BCCS are also well-connected and equipped to promote incorporation of technology into the lives of our students. Each building has a robust wireless network and newer devices for use in and out of the classroom.
