

The Board of Education for Homer Community Schools is in search of a new superintendent.

Homer Community Schools are located in Homer, Michigan and have a current student population of 987 students. The schools are located on approximately 17 acres of land and are composed of the Lillian Fletcher Elementary School and the Homer Middle School/Homer High School complex. The school district has a very modern, clean, and well-maintained physical environment. The 1987 addition, the renovations in the elementary and new building structure in 2004, and the opening of the new high school/middle school building in January of 2013 have made our K-12 facility one of the best in the area.

The Board is seeking a superintendent who is a strong, collaborative leader with a solid background in curriculum and school finance.

District Data:

- 987 students
