

APPLICATIONS DUE MARCH 23, 2021

REDFORD UNION SCHOOLS

The Board of Education for Redford Union Schools is in search of a new superintendent.

Redford Union School District is committed to providing excellence in a safe and challenging learning environment and is proud of the numerous opportunities offered in our seven school buildings across our district.

MacGowan Elementary School provides education for our preschool, kindergarten and first grade students. MacGowan also provides programming for preschool, kindergarten and first grade students who are hard of hearing or have been diagnosed with Autism Spectrum Disorder.

Beech Elementary School serves students in grades two through five. Specialized programs make up an important population as we incorporate special education programs for students who are deaf and hard of hearing, students with cognitive disabilities and students with Autism into our school community.

Hilbert Middle School services 450 students grades 6 through 8. We have a model system of supports that is based around grade-level teaming, PBIS, Love and Logic and a strong support staff. Staff and curriculum development are the focus of our weekly PLC meetings lead by our instructional coach. We are a Google school that heavily utilizes technology to engage students.

Redford Union High School provides a quality education to approximately 700 students grades 9-12. Our student body is represented by 75% African American students, 17% Caucasian students, 8% Hispanic American students and other ethnicities. Redford Union High School has a successful Early College and Careers program and is partnered with WCCC and Wayne RESA, respectively. Our Early College Program currently provides opportunities for 79 students spread out across four cohorts. Redford Union High School is also extremely proud of its partnership with the Anti-Defamation League to ensure that all students and staff are trained in cultural proficiency.
