

Clinton Community Schools – INTERNAL Posting

The Clinton Community Schools Board of Education is seeking a Superintendent to begin work in August, 2022. The Board is being assisted in the search by Michigan Association of School Boards (MASB).

The Clinton Community School District is located in Lenawee County, in the Irish Hills area of Southern Michigan. The District serves about 1,238 students. The mission is to provide a safe and healthy environment, educating and preparing every person to be explorers and life-long learners. Clinton boasts of cohesive and dedicated educators, support staff, and administrators who truly care about the students they serve. The strength of Clinton Community Schools is exemplified by the numerous parents and community members who volunteer in the classrooms and school buildings. Our community has been consistently and overwhelmingly supportive in passing bond issues for school expansion and renovations, as well as a sinking fund millage. The people of Clinton truly believe that school is community!

The Board of Education is seeking a superintendent who is a strong, visionary leader, has an extensive background in K-12 education, and will be an effective communicator with staff and community. This educational leader will actively work with the Board and community to set and reach goals, be an instructional leader, and be an innovative and creative problem solver. The new superintendent should be knowledgeable, ethical, honest, and friendly.
