

Hillman Community Schools

The Board of Education for Hillman Community Schools is in search of a new superintendent.

Situated in the eastern part of the Northern Lower Peninsula of Michigan, Hillman is a great family oriented community with several beautiful lakes, streams and forests plus the gorgeous Thunder Bay River running through the center of town. Opportunities are endless for catching fish, boating, hiking, golfing, camping and hunting. Michigan's unique elk herd can be seen in the forest openings here or through guided tours at Thunder Bay Resort. Many mom and pop shops sprinkled throughout the town offer competitive prices, goods and services with friendly community members who wholeheartedly support the District. Hillman is known for its annual celebration of VJ Day in August where the entire community comes together in celebration to honor our Veterans. It is also a pivot point to nearby connections with M-32, M-33, M-23 and M-65. A mix of farming, light industry, small businesses, a health clinic and retirement homes gives the Hillman community safe schools and streets and the values of a small, close-knit town.

Hillman Community School District has a pupil count of 409 and consists of a Jr/Sr High School building of 70,000 sq. ft. which was built in 1999 for 6-12 grades and an Elementary School of 55,000 sq. ft. for the K-5 grades. The two campuses give the district two gymnasiums, plenty of outdoor athletic facilities and multiple computer labs and other facilities for easy scheduling and separation of age groups. Significant advances in technology and equipment throughout the district have been recently made. The exceptional staff work together as a team to provide a solid educational foundation for Hillman students.

As part of the AMAESD, Hillman School is able to offer speech therapy, occupational therapy, social work and other educational supports. Several of the high school students benefit from a partnership with Alpena Community College to take Dual Enrollment classes and Alpena High School to participate in CTE courses. High school students are also offered online courses through a collaboration with Michigan Virtual. In addition to academics, a very competitive athletic department as well as other extracurricular activities are offered such as Science Olympiad, NHS, NJHS and band. The Hillman marching band was honored to perform the National Anthem at a Detroit Tigers baseball game in April 2022.
