

VISION STATEMENT
Developing Character,
Strengthening Community,
Achieving Success

MISSION STATEMENT
Educate, Inspire, Empower

The Wyandotte Public Schools Board of Education is seeking a superintendent who will work with the Board of Education to continue its implementation of student-centered programming while also strengthening relationships with the community.

VISION

- Works collaboratively with the Board of Education, staff, families, and community to create a tangible plan for attaining the District's vision and mission while creating the appropriate processes and environment to inspire others toward that shared vision

PERSONAL

- Embodies the highest degree of moral, professional, and ethical behaviors
- Exceedingly responsive; follows up and follows through
- Demonstrates an overarching love of kids
- Establishes and demonstrates the value of strong relationships with students, families, and community
- Exhibits an approachable, personable manner
- Utilizes a problem solving, resourceful attitude

PROFESSIONAL EXPERIENCE

- K-12 classroom teaching experience
- Building-level administrative experience
- Master's Degree plus Administrative Certification required
- Experience in curriculum development and evaluation
- Building an environment conducive to support learning differences in all students
- Proven track record of raising student growth and achievement

MANAGEMENT & DECISION MAKING

- Demonstrates exceptional public relations and communication skills
- Fosters a culture of accessibility and responsiveness in communication systems
- Employs consensus-building as part of a comprehensive decision-making process
- Experience in developing and managing complex budgets in an educational setting
- Recognizes, values, and affirms teachers and staff members
- Experience in building relationships with employee groups
- Able to develop and lead effective executive and administrative teams
- Experience communicating about and managing school bonds and sinking funds
- Ability to develop creative solutions to complicated problems
- Values and implements strategic plans with fidelity
