

Kingsley Area Schools

Superintendent Search Posting

The Board of Education for Kingsley Area Schools is in search of a new superintendent.

Kingsley offers small town charm and a great school system. The village is located approximately fifteen miles south of Traverse City, Michigan. Parks and recreational opportunities abound, with the Manistee and Boardman Rivers flowing nearby.

As a Class B School System with 1450+ students, Kingsley is big enough to offer a variety of programs, yet small enough to give every student the individual attention they deserve. Kingsley teachers and schools are consistently recognized for outstanding academic achievement. In addition, Kingsley proudly offers more than 20 activities outside the classroom including award-winning music programs and championship-winning athletics.

Behind the achievements and success is a staff that genuinely cares. They are humble, hardworking, and personally interested in the students and families they serve.
