GRAND HAVEN AREA PUBLIC SCHOOLS

The Board of Education for Grand Haven is in search of a new superintendent.

Grand Haven may be a big lakeshore destination, but it’s never lost its small-town appeal. For generations, this community has welcomed the flow of fresh ideas for business, tourism and recreation, while staying grounded in the traditional values of hard work and caring for community. Grand Haven Area Public Schools reflects those same ideals, offering students the kind of innovative opportunities generally reserved for big-city schools – with a culture of caring that strives for the success of every single student.

Grand Haven Area Public Schools offers students a sea of possibilities through its exceptional educational experience and creative extracurricular offerings. With caring teachers, staff and administrators, GHAPS draws curious students in, guiding them at every turn, leaving successful, engaged graduates in its wake.
