The Board of Education for Central Lake Public Schools is in search of a new superintendent/K-5 principal.

Central Lake is located in Northwest Michigan with easy access to both inland water and the Great Lakes. Small town pride and values are reflected in the local businesses, friendly residents and the pristine landscape. Central Lakes Board of Education believes that a strong community is built on the foundation of a quality school, and they are committed to finding and supporting a new leader that can become a part of their school family.

The 62 square mile school district is both large enough to offer a comprehensive educational experience and small enough to develop personal relationships with each and every parent, staff member and student. Central Lake is proud to be a small but mighty school that's committed and dedicated to offering a quality learning experience for their students.
