

Lincoln Consolidated Schools

Our district was started when the students of thirteen one-room schools came together in 1924 as a result of a goal by a far-sighted educator. Dr. Marvin Pittman, of Michigan State Normal College (now Eastern Michigan University), formed the Rural Education Club in 1921. This group took the name of "The Michigan Trailblazers" symbolizing the broad vision the group shared for public education. The new district was originally named "The Agricultural Rural Training School No. 1 of Ypsilanti and Augusta Townships". The newly elected Board of Education wanted to honor Dr. Pittman by naming the district after him, but he requested it not be done. The Board decided between "The Trailblazer District" and "Lincoln". Ultimately the Board and students selected the name, "Lincoln Consolidated School". The school board felt it was the fulfillment of the ideals for which Abraham Lincoln stood -equal educational opportunity for rural as well as urban students.

We are now in the process of looking for our next superintendent.

The Superintendent serves as the chief executive officer of Lincoln Consolidated Schools, responsible for inspiring, leading, and managing the district to ensure all students thrive academically, socially, and emotionally. Rooted in the vision of the Strategic Plan and Portrait of a Graduate, the Superintendent champions innovative and student-centered educational practices that prepare students for success in a constantly changing and dynamic world.
